From the President...

Friends,

We are making good progress on updating the web page and scheduling the rallies for this year. Check out swiscc.org and give me any suggestions for updates. Also pay attention to the new adopted class rules and decide what class you wish to run in. We do need five rallye masters to step up. In the past the rules required club members to work at least one rallye per year to be eligible for year-end awards. That rule has been suspended for some time but we could reinstate it if we need to. Please contact Randy if you can put one on for the club. We will talk more on that at the next meeting. Dues are payable now if you wish to retain your car number and get points for the first rallye. I hope to see everyone at the next meeting.

Dick Rockrohr, President

From our JJJ Rallye Master:

I have signed the contract with Cactus Pete's for a June 8th stay in Jackpot. They will hold 20 rooms for us up to May 7th, then release the non-reserved rooms. Rooms in the Tower are \$149 + 8% tax and code for reservation is SW719. Call 1 855-888-7279 for reservations or book at <http://www.cactuspetes.com>

From the Editor:

Friendly reminder to please submit articles for the newsletter! This could be anything Rallye, driving, SWISCC, or racing related. If you have pictures of SWISCC events from the past, silly or funny pictures of your fellow members, or even great stories of your favorite Rallye (memories permitting)! If you like, these submissions could even be anonymous, so the other members will never know it was you! The more submissions I receive, the more entertaining and meaningful the newsletters will be for both you and your fellow members!

Additionally, please consider writing and running a rallye this year! This garners you more points toward your yearly total and can put you over the top for year-end awards, especially now that the classes will be even more competitive going forward! Please contact anyone on the Board if you think you might be interested in being a Rallye Master.

Finally, I would like to solicit any input, suggestions, or recommendations of things you would like to see in the newsletter. Are there changes to the format you would like to see? Is there some additional content that would enhance the newsletter? Maybe there is something from the code or helpful tips and tricks for novice members? Please let me know!

Thank you!

Doug
